The Hawken Lyndhurst Library would appreciate your support of our gift book program. Book choices will be available in the Library, chosen according to curricular needs. Additional selections may be purchased to accommodate special interests of the student when appropriate. Each gift book will have a bookplate inside the front cover, indicating the donor and the year.

To participate, please send a check for \$15.00 for each gift book, payable to Hawken School, and the form below to the Hawken Library.

Thank you for your support.

Kathy Fehrenbach, Librarian

Amanda Garretson, Librarian
